### FIESTA DAY EVENT UPDATE

The Canyon Lake POA Board of Directors and Management have made the difficult decision to cancel the community's 47<sup>th</sup> annual Fiesta Day scheduled for Saturday, May 23, 2020. This decision was made due to the current COVID-19 pandemic and the State, County, and City orders against permitting any gathering of people. Based on Governor Gavin Newsom's statement at a recent press conference "The prospect of mass gatherings is negligible at best until we get to herd immunity and we get a vaccine," mass gatherings are not likely to be allowed for the foreseeable future.

This event will be postponed until next year. The Canyon Lake POA staff is processing refund checks for vendors and sponsors who have already submitted payments. Any payments received after March 16 were not deposited and were returned. Vendors and sponsors who do not receive a refund check by May 31 should contact the Activities department at [activities@canyonlakepoa.com](mailto:activities@canyonlakepoa.com).

"We are very disappointed to not have Fiesta Day this year, we know how much it means to the community. However, with the continued impacts of COVID-19, postponing this event is the right thing to do" says Assistant General Manager Lynn Jensen.

The Canyon Lake POA will continue to heed advice from the State, County, and City regarding how to move forward. We will begin hosting and planning future events once it has been deemed safe to do so. In the meantime, we ask that all residents continue to adhere to all public health guidelines so that we can all return to normal soon.

For more information about events and amemnites that have been affected due to the COVID-19 pandmeic, visit [www.canyonlakepoa.com/covid-19](http://www.canyonlakepoa.com/covid-19).
